*****IMPORTANT NOTICE*****

This Payment has been approved and is about to be transferred into your account, but before the money can be credited into your account, you will have to go ahead with the shipment of the item and then send the Shipment Tracking Number/Shipment Receipt for the Shipment Verification. Once you make the shipment and you send the evidence of the shipment/shipment tracking number to us, your account will be credited with immediate effect. This new measure is being taking because of some sellers that do receive buyer's payment and will not ship out the item paid for, and to protect both the buyer and the seller against the occurrence of fraudulent activities on the internet.

It is now safe for you to go ahead with the shipment of the item and then send the Shipment Tracking Number/Shipment Receipt to us for the shipment verification. Your account will be credited immediately upon confirmation of the details required by us, Moreover our customer cannot abort the transfer after you might have sent the Shipment Tracking Number/Shipment Receipt to us. You should send the Shipment Tracking Number/Shipment Receipt to us via rbcinternetbanking@Officeemail.net within the next 24-48hrs.

Due to the fact that we processes thousands of order daily, We recommend you to contact our customer care department. This ensure speedy verification of shipment as well as prompt transfer of your Money.

This email you received is sent and authorized by the Royal Bank Of Canada. If you have any question regarding this transfer, feel free to contact us on this E-mail: rbcinternetbanking@Officeemail.net

Thank you for using Royal Bank Of Canada Online Banking System (Wire Transfer)®. We look forward to serving you better in the future.

*****NOTE*****

All transactions are being monitored by the FBI to ensure that there is no fraudulent activity.
